Dear Friend,

LOCHABER ENVIRONMENTAL GROUP ("LEG") - MEMBERSHIP SUBSCRIPTION REQUEST.

We are currently in the process of updating our database. As a not-for-profit Scottish Charity we rely significantly on our membership subscriptions to assist the financing of our various environmental campaigns throughout Lochaber. If you are still keen to support our work, it would be appreciated if you would consider upgrading your status to a Full Member of LEG - by completing the attached Standing Order Mandate. This process is also designed to update us with your latest contact details and specific interests (*please note return address and further detail page provided on reverse- simply fold & stick with tape or pop into an envelope. Alternatively please drop off this to us- when you are next in the Fort or with us at one of our local events*).

As a member your benefits include:

- Quarterly Newsletter and Interactive Website **www.lochaber-environmental-group.org.uk**
- Regular and tailored E-Updates
- Invitation to local Renewable Energy and Master / Community Composter events
- Free use of our reference library - containing the latest environmental DVD's, books and monthly magazines
- Lobbying of Local and National Regulatory Bodies on your behalf
- Advisory Service for Domestic Renewable Energy, Home Composting and Community Composting supplied by our fully trained and experienced Development Officers.
- Invitation to our Annual Conference, AGM and other Seminars
- Recycling Facilities – recycle your computer ink cartridges, mobile phones, household batteries and energy saving light bulbs with us direct at our offices in Fort William.
